No: WCG/3795 Dt: 20.8.24

**Terms and Conditions**

1. The services must be provided for a period of one year, starting from the date of contract award. Any extension or modification of the contract period will be subject to mutual agreement.
2. The medical doctor should be available on call 24/7, while the ambulance service should be available within a maximum response time of 30 minutes for any emergency situations.
3. The medical doctor must be a licensed and registered medical practitioner with valid credentials. The ambulance service must be equipped with necessary medical equipment and staffed by qualified personnel.
4. The service provider must have a clear protocol for handling emergencies, including immediate communication with hostel authorities and rapid deployment of medical and ambulance services.
5. The service provider must maintain accurate records of all medical consultations, treatments administered, and ambulance deployments. Regular reports should be submitted to the college administration.
6. The service provider must have appropriate insurance coverage ambulance services, ensuring coverage for any liabilities or damages that may occur during service provision.
7. The service provider must adhere to all relevant health and safety regulations, including sanitation and hygiene standards, as well as compliance with college policies.
8. The quotation provided must clearly outline the rates for medical and ambulance services. Payments will be made on a visit/tour/monthly basis upon submission of an invoice and satisfactory performance of services.
9. The contract may be terminated by either party with a written notice of 30 days. In cases of breach of contract or unsatisfactory performance, the college reserves the right to terminate the contract immediately.
10. The service provider must maintain strict confidentiality of all medical information and personal data related to the students. No information should be disclosed to unauthorized parties without prior consent.
